Debbie,
It's finally over - we actually made it through! You've been a great secretary and a fun cous! Thank you for having so much patience with all of us kids in the office! I'm going to miss you next year at Brophy! Have a great summer and good luck next year!

Love,
John Woods

I have enjoyed many years in the education profession. The rewards I have received come from students like the graduates this year.

My observations of this class learning and maturing over the past nine years has been most rewarding for me. This class was the first kindergarten group to attend Simis when Madison District accepted the paired school concept. It has been my pleasure to watch them achieve their goals and expectations.

I shall always remember this class with many fond memories. It has been a pleasure to work with you as principal.

Congratulations to each of you. May your high school years meet all of your future dreams, and your future be filled with happiness and success.
